

Fireworks is a group of 12-18+ year olds who meet at Bents Green Church on Sunday mornings from 10.30 to 11.30am. We explore faith, the Bible, community, and also build friendships to support our journeys through life. We enjoy raising money for charities and coming up with ideas to spread love in the community. This year we hope to continue to raise money; look out for our Christmas gift stall in the church, perhaps another all age quiz event and for the causes that touch our hearts to inspire other projects this year. We have developed links with different generations in the church, last year we explored our favourite worship songs together, it was a real joy to share our stories. We hope to continue to nurture these links with another topic this year. Our themes are often chosen by our young people so we are looking forward to finding out where that will take us! Whatever they are we aim to develop, challenge and strengthen our faith and how we interact with the world around us. New members are always welcome.
